INSTALLATION INSTRUCTIONS

PART NUMBER : WR 545 WORX RACE SPONSONS SEADOO 09 on all I S Models

IMPORTANT: READ ALL INSTRUCTIONS BEFORE PROCEEDING WITH
INSTALLATION

Tools necessary for installation:

1 x T30 Torx driver
1 x Tube of silicone
Red Loctite

Parts Supplied:

2 x **Worx** adjustable Sponsons
2 x Worx Side rails
10 x 1 1/2" x 1/4" Round head bolts
10 x 3/4" x 1/4" Flat Washers
10 x 1 1/4" x 1/4" Flat Washers

1. Remove the OEM sponsons using the Torx screw driver, make sure that you Clean all of the silicone from the hull surface because the Worx backing rails Fit up flush to the hull surface.
2. Apply a bead of silicone around edges of the backing rails and around each mounting hole
3. Fit the **WORX** side rails to hull using the 10 OEM screws and the small flat washers.
4. Fit the **WORX** sponson blades using the 10 x 1 1/2 x 1/4" round head bolts and the 10 large 1 1/4" x 1/4" flat washers, use loctite on the bolts.
5. Adjust sponsons to suit your riding style
 - Top set of holes to suit recreational riders in calm or normal conditions the boat will not turn as aggressively with the sponsons in the up position
 - Second set of holes recommended for experienced riders and racers even with the sponsons down you will get a speed gain over the OEM sponsons.
6. Recheck that the bolts holding the sponsons onto the side rails are tight after 15 minutes riding. When you have decided which position best suits your riding style it is recommended that you apply red loctite to the bolts to ensure that they do not work loose, regularly check that the bolts are tight.
7. **Warning:** These sponsons will vastly improve the turning capability of your boat take time to get use to them before you attempt any hard cornering.

Thank you for purchasing **Worx Racing Components** products. We believe that **Worx Racing Components** products are among the finest watercraft parts available.

A great deal of time and effort has gone into the design and development of this product to ensure that it will perform to the highest standard and that installation will be a relatively straight forward procedure. If you have any comments on the performance or installation of our parts, please contact us on the numbers listed on page one or through your local dealer.

Note: Please check with your country's governing body for eligibility for your class of racing
